- Riders enter as a team of 4 on this form. Riders compete in each run on the day as a team of 3.

Here is an example of how the riders entered as a team of 4 will run.

Entering as a team of four is Tom, Dick, Harry and Bob. Their runs will be made up for the day as follows:

Run 1: **Tom** Dick Harry Run 2: **Tom** Dick Bob Run 3: **Tom** Harry Bob Run 4: Harry Dick Bob

- In the example, four people entered as a team, individuals got 3 runs from this team's entry. (Tom has 3, Dick has 3, Harry has 3 and Bob has 3.) Each entry form = 3 runs per rider. If you choose to do 6 runs your name must be on 2 entry forms (can be the exact same names on 2 forms or different names to make different teams).

We wish Tom, Dick, Harry and Bob the best of luck on the day!
